**Mission Statement**

Our mission is to be a happy, caring and compassionate Catholic community where each child's gifts are developed to the full and the foundations for lifelong learning are laid down.

Everyone will be supported, nurtured and inspired to be the very best they can be and to persevere to overcome life's challenges.

With God's help, we will educate our children to live safely and responsibly, to care for His wonderful creation and to live their lives through the example of Jesus and the values of the Gospel.

It is the expectation of The Governing Body that wrap around early morning and after schools provision for pupils should be available, particularly for those in our community with pastoral need for such services.
