

The phonics pack that was sent home for KS1 children and that is available on the school website directly links to phonics play.

phonicsplay.co.uk

Then click on the free phonics play button on the right of the screen. Or use the new username and password.

They are currently working on a updated version so that resources will be available for tablets and phones.

In response to the current situation the website has given free access to all their resources without the need to subscribe.

The activities are divided into phases with corresponding interactive games. If you click on assessment you will find a copy of the cards issued in the phonics pack. These can be used to check what your child knows on a regular basis.

www.phonicsplaycomics.co.uk this provides colourful graphics with text that is easily read by the children as it contains decodable consonant/vowel/consonant words.

If your child is a confident reader then the link on phase 6 takes you to

www.spellingplay.co.uk

This provides an overview of spelling strategies and rules with interactive games.
