

Year 6 Rationale
Summer 2nd Half Term
On Reflection

It is the final term for Year Six; a time filled with reflection and anticipation for the exciting transition to secondary school. As we embrace this momentous change, our focus turns towards nurturing our relationships and well-being. We take the time to introspect, contemplating the individuals we have evolved into and how our unique skills and qualities will guide us through this transformative period.

Friendships hold a special place in our hearts, prompting us to reminisce, honour our achievements, and cherish shared memories. Through writing, we capture our personal reflections for the Leavers' Book and Leavers' Assembly for posterity.

In our remaining weeks together, collaborative projects in writing, computing, and art await us: demonstrating our growth and transformation at St Dunstan's. We share in the joy of our development, fortified friendships, and triumphs over challenges.

We guide our children to navigate change, especially the transition to secondary school, acknowledging the potential for mixed emotions and providing support when needed. Encouraging greater independence, we instil a sense of responsibility towards self-care and the safety of others. This chapter of our journey culminates in a celebration of growth, resilience, and the promising future that awaits us.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future." — Jeremiah 29:11
