

**ST. DUNSTAN'S**

**Year 6 Rationale**

**Spring 2<sup>nd</sup> Half Term**

**The war for a child.**

Spring term is a wonderful opportunity to see Year 6 shine. They have been building the foundations and core skills needed to express themselves in their learning and now it is time to aspire to showcase all they can be and do.

Our study of World War 2 moves its focus from evacuation and daily life to the home front. This is brought to life with a year group trip to Henley Fort. Opportunities to write include a Blitz Day newspaper and day-in-the-life recounts. The learning is celebrated in the last week with a VE day picnic.

This learning provides Year 6 with the opportunity to look at the world around them and think about the lives of others. Lent provides us with further opportunities to develop our children's learning and personal growth. We look at Fairtrade around the world, the importance of giving and take a closer look at the Stations of the Cross, as we draw near to Holy Week.
