

ST. DUNSTAN'S

The Structure, Roles and Responsibilities of the Governing Body

The Governing Body has three core functions which are:

- Ensuring the school has clarity of vision, ethos and strategic direction
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff
- Overseeing financial performance of the organisation and making sure its money is well spent

Our Governors work continually to ensure that the school maintains its very high standards. Governors take a lead on monitoring progress in all areas of school, rigorously verifying that our children receive a first class education.

The Full Governing Body meets routinely four times a year. There is a formal agenda set in advance and a wide range of issues concerning the school are discussed. At each meeting, the Full Governing Body will hear reports from their Committees:

- Admissions
- Finance and Building
- Personnel
- Pupil Learning
- Welfare and Inclusion
