

Eco School Action Plan 2024-2025

Eco-Schools Topic	Energy	Eco-Schools Topic	Transport	Eco-Schools Topic	Waste
Aim	To raise awareness of the importance of saving energy for the well-being of our planet.	Aim	To support the school travel plan and encourage families to improve their use of car use.	Aim	To look after our resources in order to reduce the amount of waste and save money and the environment by spending less on resources.
Action(s)	<ul style="list-style-type: none"> The whole school community will take part in 'cut your carbon month' in November. Eco committee will record a video to promote the month and to explain why we are doing it. We will take part in 'Celebrate Earth Hour' on Saturday 23rd March. 	Action(s)	<ul style="list-style-type: none"> Take part in a walk to school day once a term. Set up a campaign to end engine idling. 	Action(s)	<ul style="list-style-type: none"> All classes to produce an eco-promise and choose 3 ways they are going to reduce waste in the classroom. Encourage upcycling by setting up a competition to make a bird feeder to support the Big Bird Watch. FoSD to support by setting up a second hand clothes shop for Christmas jumpers. Eco committee to litter pick once a half term. Take part in Waste Week.
Informing & Involving	<p>The checklist and instructions for 'cut your carbon month' will be put on google classroom for all children and the video will be shown in all classes and put on twitter. Information will also be put in the November newsletter.</p> <p>Earth hour will be shared in the monthly newsletter and we will hold an Earth hour in school in the week leading up to 23rd March to encourage the community to get involved.</p>	Informing & Involving	<p>Through the newsletter and twitter promote a 'walk to school day' once a term.</p> <p>Eco committee to produce posters to promote anti engine idling. Have an online pledge for parents to sign to say that they promise not to idle their engines.</p>	Informing & Involving	<p>Eco promises displayed in all classrooms.</p> <p>Eco committee with film a video to promote competition to make bird feeder. This will be shared via classes, twitter and in monthly newsletter.</p>
Monitoring & Evaluation	<p>Each class will take a tally of results in the first week of December and certificates will be given out to children who took part.</p> <p>We will ask our classes who took part in the Earth Hour</p>	Monitoring & Evaluation	<p>Less people sit in their cars with the cars running and less people driving to school.</p>	Monitoring & Evaluation	<p>We hope that by the end of the year we will have reduced how many boxes of paper towels/white board pens and glue sticks are having to be bought.</p>
